

Our Current QIP Goals

From Quality Area 1: Continue to undertake Professional Development in the areas of Autism, Self-Regulation, Social and Emotional Development, Motor Development, Nature Play / Adventure Play and Language Development.

Undertake regular Nature Site Visits at the end of the week, in term 2 and 3 of 2023 and beyond.

Invite an Aboriginal artist in to work with the children in 2023 as part of our artist in residence program.

From Quality Area 3: Complete the painting of kindergarten building.

Install new lights on the back of building to light up the yard.

Purchase and install solar panels on the kindergarten roof so that we can be more sustainable and also save money on electricity.

Replace cabinetry and benchtops in staff bathroom, kitchen and office.

Replace pavers in front of building and at the back of the building.
